The VSC Advantage

Develop employees into more focused, self-motivated, mission-ready, results driven partners with VSC!

At VSC we offer four distinct services:

- Advanced Leadership Credentialing Program
- Human Resources Consulting
- Workplace Training and Development
- Accelerated Career Management

Advanced Leadership Credentialing Program

Seize opportunities to strengthen leadership effectiveness and accountability and turn good intentions into great results. VSC is well-known for cultivating the strengths, talents and attributes of current and future leaders from executive to the front line levels — teaching concrete behavioral approaches that are effective, authentic and customized to engage the power of other people. **Our programs are guaranteed to help leaders:**

- Align personal and team skills to business priorities and results
- Create a more engaged and productive workforce
- Leverage their authority to influence rather than control
- Lead and communicate with total transparency and impact
- Create and execute a course of action for achievement

Human Resources Consulting

At VSC we provide in-depth consulting, project management support and tools needed to promote a strong organizational culture while maximizing viability. **Our solutions help create great places to work along with innovative ways to:**

- Attract and retain skilled staff
- Preserve and leverage acquired and developed talent
- Identify process flow gaps to improve operations
- Train, motivate and improve job satisfaction
- Align employees with vision and execution strategies

Workplace Training and Development

The backbone of any organization is the people. No matter what industry you are in, success depends on engaging their creative abilities and managing the talent and potential of the entire workforce. VSC offers exposure to the most effective skill enhancement training essentials to BOOST performance and generate improved bottom-line results. **Objectives and benefits found in all of our programs:**

- Higher performing, more productive work teams
- Richer manager and employee interactions
- Active inclusion in diverse cultures
- Enhanced client service engagement
- Interaction, effective and FUN

Accelerated Career Management

Are you facing a workforce reduction or interested in exploring new possibilities for greater professional results?

Gain valuable knowledge and skills required to successfully pursue or advance career goals into standards of excellence and action. VSC's career seminars emphasize the ideal skills to excel in today's competitive job market. **Join the Academy for an up close and personal look at ways to:**

- Identify unique talents and strengths
- Make a captivating first impression
- Set S.M.A.R.T. goals
- Build an authentic network of supporters
- Reignite passion and create an action plan for success

Transform an ordinary day at work into an EXTRAORDINARY day at work!SM
